

ProductSheet

HP DesignJet T230 24-in Printer (5HB07D)

The world's smallest plotters[1]—intuitive and responsibly designed.

Focus on the project, not your plotter. This printer delivers incredible ease of use with HP Click Print solutions.[2] It's responsibly designed to help you save energy[4] and reduce plastics use[7]. Plus, it's compact and adaptable—to fit the way you work.

INTUITIVE—Easy, effortless printing

Simplify printing with the new HP Click Print solutions—save time with real-print preview.[2]

RESPONSIBLY DESIGNED—Reduce energy and plastic use

Save 65% energy[5] with the printer on/off auto scheduler and enjoy efficient ink maintenance routines[6].

OPTIMIZED—Fits the way you work

Save space with the world's smallest plotters[1] designed to fit your office.

Specifications

Messaging Footnotes

[1]Based on competitive comparison of operational footprint. Test performed by Sogeti and commissioned by HP in May 2024.

[2]HP One-click printing with HP Click software. HP Click software is only compatible with Original HP ink supplies. Applicable to PDF, JPEG, TIFF, DWF, and HP-GL/2 files.

[4]Requires HP Smart app download available at <https://www.hp.com/go/mobileprinting>. Certain features are available in English language only, and may vary by printer model/country, and between desktop/mobile applications. HP reserves the right to introduce charges for use of functionality facilitated by the HP app. Internet access required and may not be available in all countries. HP account required for full functionality. List of supported operating systems available in app stores.

[5]The percentage reductions in energy consumption are based on tests conducted by HP, 2024. Data based on the implementation of auto-scheduled on/off usage in various printer models, measured on a monthly basis. Actual savings may vary depending on the specific usage patterns, printer models, and environmental conditions.

[6]Use up to 96% less ink for routine maintenance vs. competitor. Based on HP internal testing, June 2024, comparing the HP DesignJet T200 Printer series and Canon iPF™ printer series in terms of ink used during routine printhead cleanings.

[7]The HP DesignJet T200/T600 2025 Edition plotter series uses polystyrene-free packaging with molded pulp cushions made from recycled fiber-based material. The plastic reduction is expressed as a percentage of the total packaging plastic weight. The reduction varies depending on the printer model, with at least a 53% reduction in the new 36-inch model and at least a 72% reduction in the new 24-inch model, compared to the previous T200/T600 models.
