

HP Color LaserJet Professional CP5225dn Printer (CE712A)

Ideal for 3-15 users, this versatile printer lets you easily print on many paper types and sizes.

Gain control of your printed documents and make an impact when communicating. One versatile printer covers all your printing needs from general office to oversize documents.

Affordable A3 printing

Now you can handle all your business printing and A3 output in your own office using a single printer. Print everyday business documents, marketing materials and wide-format projects at an affordable price—often less than printing at a copy shop.

High-quality output on a range of documents

Make an impact by putting your business in the best light. Using in-line printer architecture, four colors are aligned and applied in a single pass for reliable, accurate print quality.

Easy to use, share and maintain

The printer's control panel is intuitive and instructive. Networked models are easy to share, and it's a snap to replace and order supplies.

Featuring

Print color up to 20 ppm

A3 support

2-sided printing

Only the power you need ^[4]

On-the-go printing with HP ePrint ^[5]

Ethernet (printer)
