

HyperX CloudX - Gaming Headset (Black-Silver) - Xbox (4P5H8AA)

Overview

Built for the elite gamer.

HyperX CloudX™ Gaming Headset has been tested and approved by Microsoft and delivers signature HyperX comfort, durability, and amazing sound for serious Xbox gamers. CloudX has convenient in-line audio controls that sidestep system menus and put control right at your fingertips. The sturdy aluminum frame is designed for long-lasting reliability and to withstand the harsh rigors of daily gaming life. The 100% memory foam ear cushions and leatherette-padded headband provide award-winning comfort for those long weekends and late nights of gaming. 53mm drivers and enhanced bass reproduction pump out crystal clear high, mids, and lows, and the closed cup design mutes the outside world to completely immerse you in your game. The noise-cancelling microphone can be positioned just the way you like it, and it also eliminates background noise so you'll come across loud and clear. CloudX is also compatible with mobile devices. When you're ready to listen to music, simply unplug the microphone and stow it for later.

Official Xbox licensed headset

CloudX was tested by Microsoft and works with Xbox One and Xbox Series X|S controllers that have a 3.5mm headset jack.

Durable aluminum frame

The sturdy aluminum frame provides reliable durability and stability.

Signature HyperX comfort

Cloud's legendary comfort will keep you gaming strong during those marathon gaming sessions.

Immersive in-game audio
