

Poly Voyager 5200 Headset +USB-A to Micro USB Cable Nano Coating Technology (80S12AA)

Overview

Now anywhere is a great place to talk

Working in and out of the office? We've got you covered. The Voyager 5200 headset provides professional-grade sound, no matter where you take the call. Now you can thrive in any environment on any of your devices, with versatile connectivity and Bluetooth® technology.

Clear, distraction-free calling

From bustling city streets to the corner café, some of life's most important calls happen in the most unexpected places. Our cutting-edge noise-cancelling and six layers of WindSmart technology eliminate disruptive background noise like wind and chatter so your voice sounds clear, indoors and out.

Wear it comfortably all day

The rigorously tested ergonomic design ensures all-day comfort on a wide range of ear shapes, so it feels as comfortable on your last call of the day as it did on the first. This comfort-tested design comes with three ear tip sizes to ensure a secure-fit so you'll forget you're even wearing it.

Raise the power of your voice

Take hands free to a whole new level. A dedicated voice control button easily activates your favorite voice assistant. Whispered alerts update you on talk time, and even announce the names of incoming callers so you can simply say "Answer" or "Ignore" to calls without lifting a finger.

Features

Four-mic noise cancelling

Cutting edge noise cancelling technology eliminates background noise, so your voice always sounds clear. Four-mic array and our adaptive Digital Signal Processors (DSP) work together to cancel disruptive background noise like traffic or crowds.

High-quality audio

Supports HD Voice over wideband networks and devices to enhance speech quality, so your caller clearly hears and understands you.

Manage your calls using voice commands

Announces the names of incoming callers and waits for you to say "Answer" or "Ignore", allowing you to manage your calls using voice commands.

Take the call anywhere

Six layers of our unique WindSmart technology detect wind direction and respond accordingly so your voice comes through clearly – especially outdoors.

Smart sensor technology

Smart sensors know when the headset is on or off; calls can be easily answered by simply putting on the headset; pause music for incoming calls, or mute a call by taking the headset off.

Specifications

| | |
|---------------------------------------|---|
| Dimensions (W x D x H) | 91 x 53 x 15 mm |
| Dimensions (W x D x H) | 3.6 x 2.1 x 0.6 in |
| Weight | 20 g |
| Weight | 0.04 lb |
| Package dimensions (W x D x H) | 3 |
| Package weight | 300 g |
| Battery life | Up to 7 hours (talk time); Up to 9 days (standby time) |
| Minimum System Requirements | Bluetooth®; USB Type-A port |
| Manufacturer Warranty | Poly standard two-year limited warranty |
| What's in the box | Micro USB charging cable; Quick start guide; Warranty card; Wireless headset; S/M/L eartips |

Additional specifications

| | |
|---|---|
| Acoustic protection technology | SoundGuard ^[1] |
| Battery type | Rechargeable Li-ion polymer |
| Bluetooth version | 5.0 |
