

# Poly GC8 Touch Controller (875J6AA)

## Overview

### Simple, Intuitive Control for Teams Rooms

Transform your Microsoft Teams Rooms[1] experience with the HP Poly GC8 USB controller. With a sleek 8" touchscreen and easy interface, manage meetings, share content, and control the system — all with a simple USB connection. Optional extended connectivity[2] and integrated ports ensure flexibility and keep your workspace clean and organized.

### Simple to Install

Connect to the collaboration PC[1] with a USB cable, making setup quick and simple. For flexible installation, an optional 10m active optical USB cable or USB 2.0 extender (up to 100m using CAT5e)[2] allows easy connection, even in larger rooms.

### Teams Meeting Control at Your Fingertips

The sleek 8" high-resolution touchscreen gives users full control over Microsoft Teams meetings, right at the conference table. Start meetings, adjust settings, and manage the session — all with ease and within arm's reach.

### Fast and Easy Content Sharing

Integrated HDMI and USB Type-A inputs allow easy laptop connection to the HP Poly GC8 on the conference table. Share content instantly or connect a USB speakerphone without having to route cables to the PC — perfect for quick collaboration.

---

[1] HP Mini Conferencing PC with Microsoft Teams Rooms is sold separately. HP Poly GC8 is certified for Microsoft Teams Rooms with the HP Mini Conferencing PC with Microsoft Teams Rooms.

[2] HP Poly GC8 connects to the collaboration PC with an active optical cable (10m or longer option) or with USB 2.0 extender kit that supports up to 100m distance using CAT5e cable, both available to purchase from HP.

# Specifications
