

Poly EagleEye IV 12x Camera (89L77AA)

Overview

Every detail matters

Transform your video conferencing experience with the EagleEye IV USB premium HD camera. Improve collaboration, boost productivity, and make impactful decisions in medium to large spaces.

Hi-performance HD video camera

12x optical camera that captures incredible detail for more natural communication. With premium HD video with a pan, tilt and zoom, it's flexible enough to use in any room environment, from medium spaces to a large boardroom.

Features

Precisely tuned optics

High-quality optics capture incredible detail for more natural communication.

Never miss a thing

12x optical zoom with pan and tilt provide extra coverage without loss in image quality.

See every detail

Incredible details and natural colors in full 1080p high-definition video.

Communications platforms

Connects easily to Microsoft Teams Rooms on Windows and Poly G7500 via USB connection for streamlined deployments.
