HP OfficeJet Pro 6230 ePrinter (E3E03A)

Overview

Professional color printing for business—for up to 50% lower cost per page than lasers.[1]

Professional color documents and eye-catching marketing materials for business—for up to 50% less cost per page than lasers.[1] This ePrinter is designed for productivity and mobile printing to keep business moving—at work, home, or on the go.[2]

Professional color for less than lasers[1]

Look professional with every page, using Original HP pigment inks for vibrant, durable prints.[3]

Productivity features to keep business rolling

Turn up the print volume. Reload paper less often and handle large print jobs, using the 225-sheet paper tray.

Print on your terms

Print wirelessly from your smartphone, tablet, and notebook—no router or access to local network required.[6]

Features

2-sided printing

Unleash your printing[10]

Print from virtually anywhere with HP ePrint[11]

Remote control for your printer[12]

Easy mobile printing from HP[13]

4 individual inks

[2] Local printing requires mobile device and printer to be on the same wireless network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See http://www.hp.com/go/mobileprinting for more details.

[3] Fade resistance based on paper-industry predictions for acid-free papers and Original HP inks; colorant stability data at room temperature based on similar systems tested per ISO 11798 and ISO 18909. Water resistance based on HP internal testing, using paper with the ColorLok® logo.

[6] Mobile device must be connected directly to the printer's wireless network prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from access point.

[10] Mobile device needs to be connected directly to the wireless network of a wireless direct-capable printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the printer.

[3] HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

[4] Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
